### A New Look for Cuba Lake Fireworks

Rumors, rumors, rumors. What will happen at Cuba Lake on July 3rd?

CLCOA officers and directors have been discussing, researching, and investigating options: where to shoot from for maximum visibility; how big a display; and how best to use your generous donations. President Mary Lindquist and director Dan Davison attended Youngs' fireworks open house for a first hand look at options. Reporting to the exec. Board the consensus of the group was to purchase larger shells and shoot them from the lake. Many of the shells are locally made in Cuba. If all goes according to plan, fireworks will be shot from a barge on the lake.

### Community Project

Officers and members of the board of directors spent an afternoon and early evening ringing the Red Kettle bell for the Red Cross at Giant in Cuba. It was rewarding to be able to assist with this very worthwhile endeavor.

### Reminders

- As you walk your four-footed pets around the lake be mindful of others who walk the same area. Please pick up after them.
- Shoveling snow across the roadway is against the law. If you are doing this-stop. If you are caught you may be fined.

**Newsletter :** The Lake Views newsletter will contain information from the Lake District and **will be** delivered to all district residents.

### **Activities for 2014**

While many have been dealing with Western New York weather, the CLCOA activities committee has met to plan for the 2014 season at Cuba Lake.

- On June 5th, a Wine/Cheese Party
- On June 28th/29th flares will be distributed by the officers and directors
- On July 7th-9th the Safe Boating Course will be held (this is a date change)
- On July 8th the annual meeting will be held
- On September 13th the second Oktoberfest

New this year will be Cuba Lake Week-a week of activities with something for everyone.

- June 29th, Chicken B-B-Q and Walk for a Cause
- July 1st, Kayak Race
- July 3rd, Ring of Fire and Fireworks
- July 5th, Jam on the Dam

#### **Peace of mind.**

If you are not a year round resident on the Lake, you may want to consider providing contact information to [cubalakecottageowners@yahoo.com](mailto:cubalakecottageowners@yahoo.com). This will be forwarded to the Cuba Police Dept. They will then be able to contact you in case of a problem when you are not in residence.

**Committees from CLCOA** are currently working on a budget for the group and are looking over the Constitution and By-laws.

**Please note:** Your director may have changed. Check the officer/director list for the update. You will notice that all the officers along with the directors will now also be responsible for distribution of CLCOA materials.
