Fall 2013

## Summer Family Party

Party organizers, Dan Davison and Janice Coble, were disappointed that the August Summer Family Party had to be cancelled. At the deadline for ordering food and beverages there were not enough reservations to go ahead. They are hoping that this event will be held in 2014.

## Good times had at Oktoberfest.

75 cottage owners and guests enjoyed a beautiful fall day at Carpies to celebrate the end of the summer season. Some came by boat and many by car to share a meal with friends, renew acquaintances, and meet neighbors. German beer, other German drinks and a German buffet (from Moonwinks) sated the palates of those attending. Thanks to Cheryl Freeborn for all her hard work on this event.

## Chicken Bar-B-Q deemed a success

Chicken Bar-B-Q was a success for the Cuba Ambulance Corp. Under the chairmanship of Paula Colburn, CLCOA was able to make a donation of \$2000.00 toward the purchase of defibrillators. These machines enable the ambulance to communicate with the hospital immediately. 200 chicken dinners were sold out by 2 pm. Thanks to everyone who purchased dinners and to those who worked.

## Food Pantry Collection

Thanks to your generosity we were able to deliver a pick-up truck and a car load of items to the Cuba Food Bank. The paper products, laundry detergent, diapers and personal care items are not able to be purchased by those in need. All items were greatly appreciated.

**Newsletter Policy change:** The Lake Views newsletter will contain information from the Lake District and **will be** delivered to all district residents
